Down at Walalee the boys take the greatest interest in baseoall, and the following letter from the manager of the school teams explains it

Boys' Industrial School, Walalee, May 16, 1910. To Sporting Editor of the Even ing Bulletin, City.

Dear Sir:—Will you kindly pub-lish this following notice in your paper and oblige?

We have read about the schools of Honolulu forming the Grammar School League. We regret that our school is so far away that we wer

unable to enter a team.

We fike great interest in the American national game, and have formed a league of our own, the boys of the school having been divided up to make three teams, namely,

Waialee, Lanakila and Ouwehone. We have splendld material, such as have defeated the famous Waialus aggregation. The first game of the series was played at Walalee ground.

The Walalce and Lanakila base ball teams crossed bats last Satur day afternoon at Waialee grounds the game resulting in a score of to 7 in favor of the Walalee aggre

already the players are talking of getting into form for the coming Maul, Kaual, Oahu and the Fifth Cavalry will take part in the games, and some fine exhibitions of the best sport of all should be given. Arrangements have been made whereby ponies can be stabled at Moanalda at an expense of about \$20 per month. This should be very satisfactory to those who intend to go in for the game this year.

Lewis beat Johnston in a handball match at the Y. M. C. A. yesterday. The score was 12-21, 21-12 and 21-Marcallino and St. John also played, and the former won 21-18, 21-20. This afternoon Decoito and Nott will play their match.

The Masi horse races promise to be the best ever, and already a lot of people are talking of making the trip to the most hospitable island of the group.
